WASC is a school improvement for Kula (used to be the accreditation process that used to be only for High schools). HI is the only state doing this for elementary schools too. For Kula Elementary it's a school improvement process. Kula results were really good last time. This time is a halfway-checkup School is working on special education inclusion practices.

10-year teacher transfer period is going on. 10-year teachers can apply for any open positions. After that is a 2nd TATP.

Boy Scout Troops put up new flagpole at Keokea. Smaller flag is being ordered for shorter post.

Painters of the Keokea barn were thanked.

For the health clinic parents need to express an interest.

Teachers report:

Next Monday no school

February 26th is favorite sports team dress up

No rotations week of March 9th

March 11th whole school evacuation drill

March 12th talent show

March 13th no school, then spring break

SBAC will be done in April. 1st part will be English CAT (verbal followed by written) then 40 question multiple choice math test.

PTA report:

Fundraising:

Envelope for Beach Cleanup will be due on Friday. Online donations are approx. 4K now. So far 9 teachers had no students sign up. Note has gone out to teachers. Mrs. Akau's class is leading so far. More push from the Maui Ocean Center would be welcomed. MOC has enough material for 100 People.

Fundraising still plans on doing a bake sale and the plate lunch for May day (May 22nd). Wednesday will be a long day that week. Friday the short day.

Flatbreads never got back to us about doing another fundraising day.

Treasurer:

Brooke Levien is working with John Cassel on the handover. Passes out comparison sheet (not including Beach Cleanup or upcoming fundraisers yet). Budget is looking good. Brooke is still working on the transition.

Thanks for your participation and for coming tonight everyone!

The next meeting is March 11 6:00pm F-103

Adjournment – 6:38pm
