

Harvest Festival 2019

Re: Community Living Tent

Dear Friends of Kula School,

Once again, Kula School's PTA will be holding our annual Harvest Festival fundraising event on Saturday, November 23, 2019, from 9am-4pm.

Monies raised from this event will be used to provide important programs such as Physical Education, Art, Music, Drama and other enrichment programs for our students. PTA also supports classroom needs in each grade level, as well as assist with various student activities.

With help and dedication from our parents, numerous volunteers and community friends such as you, we will once again be able to make this year's Harvest Festival Fundraiser a success.

We are pleased to announce that our "Community Living" Tent will once again host various organizations and services from our community. These organizations will be able to share with festival attendees free information and awareness, as well as services that are available right here in Kula. Families will also learn about the deep roots of Kula by visiting with these organizations and local businesses, many of which have been here for years.

*If your business or organization would like to reserve a complimentary table, please fill out the attached form and return by **NOVEMBER 1**, as space is limited.

Participants in the Community Living Tent is for sharing information purposes only. Please feel free to hand out pamphlets, rack cards or other related material.

We look forward to sharing your information with our Kula community! On behalf of all the Kula School children, we thank you in advance for your commitment and support.

Thank you!

Yvonne Lang
