

Kula School PTA Meeting Minutes - unapproved 01/13/2021 | via Zoom

Attendees: Brooke Levien, Matthew Neil, Lisa McClintock, Justine Malek, Yvonne Lang, Jasmine Dupont, Brittany Neizman, Susan Kim

Call to order – By President Matthew Neil 6:04

Approval of Minutes last meeting – last meeting minutes were approved by Matthew Neil and Brooke Levien

Principal's Report (Mr. McClintock)

Current enrollment (status date of meeting) 373

Mrs. Brynne is out on maternity leave; Anna Geyer is replacing her as a long-term sub.

Slight change in return to blended model: Right now, 3rd grade is planned to be back February 1st, 4th and 5th grade on February 8. This means all the children are back other than 5 classes!

Kula school is well prepared for a potential cluster at Kula School but will have to go with the decisions of the complex.

A lot of teachers and staff are getting the Covid vaccine.

Salary plan was just turned in. Different scenarios were shared with staff. Everyone who wanted to stay at Kula School can stay. Brittany and Lisa will call families who left Kula School to invite them back to Kula School. Teacher assignment transfer period comes up in Feb/March.

CEP status: Kula Elementary will definitely get to keep CEP until the summer. In spring they will decide which schools will receive it for the next school year.

Proposal from Kula school to PTA: Could PTA fund a water bottle filling station? Filling station would be placed instead of water fountain on back of cafeteria.

1st option 2500.00 with cooler and filter

2nd option 1200.00 w/o cooler with filter

Both are hands-free models

CAS sent mail: State needs assistance in formulating budget

March 2nd meeting. 2 spaces from community members.

SCC brought forward one volunteer; 2nd volunteer Mat will attend.

Teachers report (Justine Malek)

Brittany Neizman: It's important to get kids back early for budgeting purpose.

Teachers are excited to have children back. 3 days w/o school coming up.

Next Monday, Feb 10 is a virtual day, Feb 15 is President's day

Report cards will go out this week. Children who are not in person will receive reports via email.

Treasurer report (Brooke Levien):

PTA received to date roughly \$3300 from xx sponsors
Only 14 teachers submitted receipts for classroom support
Budget for professional development has still \$1600.00 available.
Largest expenses (approx. \$2500.00 has been on covid supplies), PE equipment \$1800.00, Holiday craft was approx. \$2500.00 (pulled from PCNC budget).
Fundraising needs to be addressed. Doing a fundraiser that brings the community together is a good idea. Ideally to be avoided are events where children have to sell a certain amount of something. Readathon or similar could be a good idea.

Other business:

Idea of Valentine's day story telling.
If there is additional needs for covid related supplied pls reach out to PTA.

Thanks for your participation tonight everyone!

The next meeting is February 10, 2021, 6:00pm

Adjournment – 6:56pm

Submitted by Yvonne Lang, Secretary
