Fundraising Projects by Dylan Rist

Campus Cleanup Day January 28th

1. Need to make a list of what we want to do.
2. Individual gardens in front of the classrooms? Water lines are to be installed during the summer so we shouldn't do the front of the classroom till after that is done.
3. Long grass out of the basketball court-trim back and away from the playground side. But keep the vegetation by the fence so the deer don't try to jump the fence.
4. Send out a message to sign up for volunteering. Morning or afternoon shift.
*Marianne tells us that they could post on Parent Square about the improvement day and even sign up with a link

Social Event

*Maybe make an event to help for "Show your love for Kula" event

*Geri got in touch with the people at Ocean Vodka to do a social event there.

*Double check with the DOE to see if we can even have a PTA event at the Ocean Vodka because of the alcohol.

*What does the Kula School PTA charter say?

"Show Your Love for Kula School" February 12th

*Have the students cut the hearts out and decorate in class-the week before

*Physical Flyer and on Parent square also

*An idea for volunteers is to send home materials for parents that can't come into volunteer

*String up the hearts in the cafeteria for decorations for Valentine's Day

Side note: *February 13th no school HSTA day
